PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 271C3 to Lockney, Texas as that community's first local FM service. Lockney, Texas is an incorporated city with a population of 2,207 people.¹ As of the last quarter of 2000, 91 businesses in Lockney, Texas had been given a credit rating by Dun & Bradstreet according to the 2002/ 2003 Texas Almanac. Lockney has its own mayor, Gary Marr, its own post office, volunteer fire department, its own school system, city offices, and a number of local churches.

¹ Source, Texas Almanac 2002/2003

Lockney is a community that is certainly deserving of local FM service. The proposed channel 271C3 will provide additional diversity and an outlet for local self-expression to Lockney residents and therefore is in the public interest.

Should this petition be granted and Channel 271C3 allotted to Lockney, Texas, Petitioner will apply for Channel 271C3 at Lockney and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
